

Carrickfergus

Key of C

C Dm G C Am
I wish I was in Carrickfergus
Dm G CFC
Only for nights in Ballygrand
Dm G C Am
I would swim o'er the deepest ocean
Dm G CFC
The deepest ocean my love to find
Am G
But the sea is wide and I cannot swim over
Am G
Neither have I wings to fly
Dm G C Am
If I could find me a handsome boatsman
Dm G CFC
To ferry me over to my love and die

C Dm G C Am
Now in Kilkenny it is reported
Dm G CFC
On marble stones there as black as ink
Dm G C Am
With gold and silver I would support her
Dm G CFC
But I'll sing no more now til I get a drink
Am G
Cuz I'm drunk today and I'm seldom sober
Am G
A handsome rover from town to town
Dm G C Am
Ah but I am sick now, my days are numbered
Dm G CFC
So come all you young men and lay me down
